Docket No. 2009-489-E

Dear Sir or Madam:

As a senior citizen I cannot afford a 10% rate hike. Please reconsider this rate request.

There should be some way you can reduce expenses as opposed to increasing our costs.

A handwritten signature in cursive script that reads "Jimmy Johns". The signature is fluid and stylized, with a heart shape integrated into the middle of the name.

Sincerely,  
Jimmy C. Johns
